Important Maine ATV laws:
"A properly registered ATV may be operated on a public way only the distance necessary, but in no case to exceed 1500 feet, on the extreme right of the traveled way for the purpose of crossing, as directly as possible, a public way, bridge, overpass, underpass, sidewalk or culvert as long as that operation can be made safely and does not interfere with traffic approaching from either direction on the public way." Except for the land on which the operator is domiciled, a person under 10 years of age may not operate an ATV. A child 10-15 years old can operate an ATV if they have successfully completed an ATV training course and is accompanied by an adult. Visit <https://www.maine.gov/itw/atv-snowmobile/atv-laws-rules.html> for a complete list of Maine's ATV laws and rules.
